MAINTAIN ELIGIBILITY

● To receive the benefits of the Millennium Scholarship Program, you must enroll in an eligible institution of higher education in Nevada.

● It is important to remember receiving a Millennium Scholarship does not guarantee your admission to any institution.

After your admission to an eligible institution, you must meet the following requirements to receive and maintain the benefits of the scholarship:

● Enroll each semester in a minimum of 9 credits at a NSHE community college or 12 credits at any other eligible institutions.

● You must enroll in a program of study leading to a recognized associate degree, baccalaureate degree, or pre-baccalaureate certificate.

● You must maintain a 2.60 semester GPA for each semester until you complete a total of 30 credits. Starting in the semester in which you earn 30 or more credits, you must maintain a 2.75 GPA each semester you receive Millennium funds.

If you fail to meet the minimum requirements in any semester in which you receive funding, you will receive a strike and your scholarship will be suspended. Eligibility for the Millennium Scholarship can be regained only once by meeting all of the requirements listed above in a subsequent semester. Losing eligibility a second time will permanently remove you from the program.

FAQ'S

1. What is the dollar value of the scholarship?

The Millennium Scholarship is a maximum \$10,000 award paid on a per-credit hour basis, up to 15 credits each semester. Millennium Scholars at a NSHE community college will receive \$40 per credit hour. Students at a NSHE state college will receive \$60 per credit hour. Millennium Scholars at all other eligible institutions will receive \$80 per enrolled credit hour.

2. Will the Millennium Scholarship pay for all my classes?

The Millennium Scholarship will NOT pay for remedial or graduate courses. NSHE defines remedial as any class with a course number less than 100.

3. Do I have to notify the Millennium Scholarship Office if I switch institutions?

No, you don't have to notify our office that you are changing schools. However, please make sure you declare a major at your new institution and follow up with the financial aid office.

4. What do I have to do if I'm taking classes at two eligible institutions?

If you are enrolled at two institutions and wish to receive funds at both institutions, you must submit a "Co-Enrollment Form" which can be found at nvggms.gov under "Forms and Documents". *A co-enrolled student must be enrolled in at least 12 credits between both institutions and may only be funded for a total of 15 credits.*

5. Can I use my Millennium Scholarship funds for books or other educational purposes?

Yes, but only under certain circumstances. If you are receiving other financial aid, your institution may provide the remaining value of your Millennium Scholarship award in a residual check. These funds may be used for other educational purposes such as registration fees, required textbooks, and other costs related to attendance at your eligible institution.

6. Will I lose my scholarship if I drop one of my classes?

Any semester in which you receive funding from the scholarship, you must always finish the term meeting all the minimum requirements. For example, if you are at a university and drop to 9 credits, you will lose your scholarship. At a community college, if you drop to 9 credits you are still meeting the minimum requirements for that institution. You must also earn the required GPA.
