STUDENTS

Junior students enrolled in the full Jump Start Program may be permitted to enroll in a total of six (6) courses per semester under the 7-period schedule and seniors enrolled in the full Jump Start Program may be permitted to enroll in a total of five (5) courses per semester.

- C. A student who participates in school-sponsored activities such as interscholastic athletics, drill team, marching band, dance group or cheerleading squad for at least 120 hours shall be exempt from a maximum of one unit in physical education.
- D. Douglas County School District students enrolled in grades 9-12 are permitted to pursue opportunities outside the instructional programs of the District to achieve physical education goals through community resources following strict approval and attendance guidelines. Specifically, a maximum of 1 high school P.E. credit (grades 9-12) may be waived by completing an approved Supervised Curriculum Physical Education (SCPE) course unless otherwise exempt by law. Students are required to complete one year of P.E. at the school site. Parents or students must complete an application and contract for SCPE providing documentation of the program goals, objectives, and identification of the state standards associated with the SCPE activity.
- Failure to meet any deadlines, provide required documentation, or provide proof of attendance may result in the waiver not being granted (see AR 518(g)).

Students will have access to educational programs in order to satisfactorily meet graduation requirements until they graduate.
- G. Any student who has not yet reached the District or state requirements for graduation will be provided the opportunity to learn through a variety of options, such as, but not limited to:
