

DCSD WAN Fiber Improvement Project

Douglas County School District

1638 Mono Avenue

Minden NV 89423

Addendum Three

March 2, 2017

- 1. Clarification-Project 5: MES to Historic Court House, 144 strands from MES to the Buckeye vault. At this vault, there will be a 24 strand short tail from the 144 cable that will go into the Praxis vault (less than 20ft) where 8 strands will connect to NSHE. At the Buckeye vault, 96 strands will continue to the historic courthouse and the remaining 40 strands are for future connections.**
- 2. Clarification-Project 6: Project 6 Historic Court House to DHS, 96 strands from Historic Court House to East Fork Fire Office that is replacing an existing 24 strand cable. On utility pole at East Fork Fire Office intercept, furnish and install splice box. At splice box on pole connect 24 from new cable to 24 entering the Fire District Office with 24 strands to remain in box. The remaining 48 strands are to continue to Douglas High School.**
